Deferring Courses Policy	
Week of Class	Options
<b>During Week 1</b>	Drop classes <i>No financial/transcript penalties</i>
<b>Weeks 2-4</b>	Defer classes <i>\$50 deferral fee, no transcript penalty</i>
<b>Weeks 5-8/17</b>	Two Options: 1) Incomplete – <i>Can petition under certain circumstances</i> 2) Withdrawal – <i>Forfeit tuition/fees, permanent "W" on transcript</i>

**As a reminder, you can Drop a class without penalty during Week 1 of the class.** After the first week, there are financial and/or transcript penalties for deferring or withdrawing from a class. Should you need to leave a class part way through the semester, your options depend on how far into the class you are.

**During Weeks 2-4, you can Defer your class,** meaning that you will be charged a \$50 deferral fee, but your tuition and fees for the class will be credited to your account and you will not see the class appear on your transcript for that semester.

**If you wait until Week 5 to leave a class, you can petition for an Incomplete or Withdraw from the class.** In order to petition for an Incomplete, a student must have completed at least 75 percent of their work for the class and demonstrate a hardship that prevents the completion of the class on time. Instructors will review petitions on a case-by-case basis. If granted, the student receives a new date to complete the remaining portion of his or her class work.

**If you are not eligible for an Incomplete, or your petition is denied, you can Withdraw from the class,** receive a “W” on your transcript and re-take the class in a future semester, forfeiting your tuition and fees for the class.
