Deferring Courses Policy	
Week of Class	Options
During Week 1	Drop classes <i>No financial/transcript penalties</i>
Weeks 2-4	Defer classes <i>\$50 deferral fee, no transcript penalty</i>
Weeks 5-8/17	Two Options: 1) Incomplete – <i>Can petition under certain circumstances</i> 2) Withdrawal – <i>Forfeit tuition/fees, permanent "W" on transcript</i>

As a reminder, you can DROP a class without penalty during Week 1 of the class. After the first week, there are financial and/or transcript penalties for deferring or withdrawing from a class. Should you need to leave a class part way through the semester, your options depend on how far into the class you are.

During Weeks 2-4, you can DEFER your class, meaning that you will be charged a \$50 deferral fee, but your tuition and fees for the class will be credited to your account and you will not see the class appear on your transcript for that semester.

If you wait until Week 5 to leave a class, you can petition for an INCOMPLETE or WITHDRAW from the class. In order to petition for an Incomplete, a student must have completed at least 75 percent of their work for the class and demonstrate a hardship that prevents the completion of the class on time.

Instructors will review petitions on a case-by-case basis. If granted, the student receives a new date to complete the remaining portion of his or her class work.

If you are not eligible for an Incomplete, or your petition is denied, you can Withdraw from the class, receive a “W” on your transcript and re-take the class in a future semester, forfeiting your tuition and fees for the class.
